Edition 6 Preface

Edition 6 rules issued in September 2017 will be in effect from 1 January 2018 until approximately December 2019, after which a new edition of the rules may be published or this edition extended.

Definitions for key words are included in Appendix A. Where there is a definition of a term, the term is shown in *italics* within the rule.

The following are some of the changes included;

- Previous IBRA interpretations to Edition 5 are now integrated into the rules
- Some basic requirements have been set for helmets used in racing.
- The 1.5kg allowance added for shoes and other safety gear is removed to simplify the weigh in requirements.
- Sailing rules now clarify that the Port / Starboard rule has priority over an inside overlap when rounding marks or obstructions.
- The default starting procedure has been updated to reflect that electronic timing is used for most major events
- Disqualifications can again be dropped from a competitors' points score except for breaches of the principles of sportsmanship and fair play.
- Redress will now be considered for those disadvantaged by another competitor breaking the sailing rules. The previous requirement was that damage must be sustained.
- Protest and redress forms have been updated to include more information on the protest outcome for scorers.

Note: This is not an exhaustive list, it is the competitor's responsibility to ensure that they have read and understood the rules contained in this edition.

Part A – Race Management

- A.1 This handbook is to provide blokart competitors with a common basis within affiliated clubs under which local, national and international events will be run.
- A.2 Additions to the rules can be made for venue specific situations in a *Notice of Race* or *Sailing Instructions*. The *Notice of Race* should be issued no less than 4 weeks prior to the event.
- A.3 The *International blokart Racing Association's (IBRA)* intention is to provide a close level playing field for its members by way of a "One Design" rule for blokart competitors under two *classes*, Production and Performance.
- A.4 Each *class* shall be split into *divisions*, divisions shall be determined by weight of the competitor as follows;
- Light weights, competitors less than 70kg
 - Middle weights, competitors 70kg and up to 82.5kg
 - Heavy weights, competitors 82.5kg and up to 95kg
 - Super weights, competitors 95kg and over

The *notice of race* may change the weights above, and/or the number of separate weight *divisions* offered.

Divisions may alternatively be split by age, ability, or another method for an event.

- A.5 Competitors may be weighed before each event. If required they shall present for weigh in wearing a minimum of a tee shirt and shorts, and a maximum of long pants and a long sleeve shirt. No *competitor* shall wear shoes, helmets, gloves, jackets or wet weather clothing. *Competitors* shall not carry additional weights in their clothing.
- A.6 A competitor shall compete in compliance with recognized principles of sportsmanship and fair play. A competitor may be penalized under this rule only if it is clearly established that these principles have been violated.
- A.7 By participating in a race conducted under the *IBRA rules*, each competitor agrees:
- to be governed by these *rules*;
 - to accept the penalties imposed and other action taken under the *rules*;
 - with respect to such determination, not to resort to any court or other tribunal not provided for in the *rules*;
- A.8 Each competitor is responsible for his/her own decision to participate or continue to participate in any race or event.

A.9 Accidents

1. In the event of an accident, the Race Committee may abandon the race. A competitor shall give all practicable help to any person in danger, even if the person in danger is not racing. A competitor that renders assistance may file a written request for redress.
2. A competitor in distress shall make every attempt to signal all passing blokarts and, if possible the race officers whether they are seriously injured or not. If they are not, they should get out and stand next to their blokart.

A.10 Cancelling, Postponing or Changing Course

1. The Race Committee may cancel, postpone, or change the course before the start provided that competitors are given an opportunity to be briefed.
2. The Race Committee may abandon a race after the start if a mark has shifted or the course for any reason becomes unsafe.
3. The Race committee may cancel or abandon a race after the start if wind is insufficient for fair racing, or for other criteria defined in the sailing instructions or briefing.
4. The course may not be altered after the start.
5. All competitors concerned shall be notified as to the date, time and place of the resail of a postponed or abandoned race.

A.11 Resailed Races

1. All competitors entered in the original race shall be eligible to sail the resailed race, other than those disqualified under the sportsmanship rules (DGM).
2. Subject to the entry requirements of the original race, and at the discretion of the Race Committee, new entries may be accepted.
3. Other than DGM, rule infringements in the original race shall be disregarded.
4. The Race Committee shall advise the competitors concerned of the date, time and place of the resailed race.

A.12 Award of Prizes

1. Before awarding the prizes, the Race Committee shall be satisfied that all prize-winners have complied with the *rules*.
2. If, within a 7 day period from the original date of award, the Judges shall find that a competitor was scored incorrectly, or did not comply with the *rules*, they may demand return of the award.

Part B – Blokart Equipment Rules

B.1 Blokart equipment rule philosophy

- B.1.1 Any item not specifically mentioned by these rules must be of “Standard” *blokart International Ltd (BIL)* supply, where the part is manufactured by *BIL* or its contractors specifically for a *blokart*. Where a part supplied by *BIL* is a generic part that can be sourced from a local supplier, a local supplier may be used, provided that;
- The function of the part is not altered;
 - The replacement part is of the same strength and size;
 - The replacement part is not of lesser quality.

Nothing in this rule allows additional custom or generic parts to be added unless specifically allowed under the Part B rules below.

- B.1.2 Only *BIL* accessories that have been sanctioned by *IBRA* may be used for racing in blokart events. A list of approved parts and the date from which they may be used is found on the *IBRA* page of www.blokartworlds.com
- B.1.3 Consistent with the “One Design” philosophy, if modifications or additions are not listed in part B rules below, they are not allowed. “Specific Exclusions” indicate modifications that are strictly banned on both Production and Performance classes.

Details of such penalties given shall be supplied to the IBRA committee, who may if required, impose additional penalties on the *competitors* such as a temporary ban or permanent ban from the class.

F.2 The penalty for a competitor who does not follow Part B, C or E of these rules (excluding E.16 and E.17d) shall be disqualification (DSQ) by the protest committee following a protest by another competitor.

Race officers may disqualify a *competitor* for breaches of Part C and Rules E.14, E.15, E.17b, & E.17 c, without hearing. *Competitors* who believe the *race officers* have made an error in their action may request redress. Scrutineers can disqualify competitors for a breach of Part B.

- F.3 A *competitor* may exonerate a breach of the sailing rules (Part E) by executing a 360° turn as soon as practical after the incident, but after starting and before finishing, except for rules, E13, E14 E.15, E.16 E.17b, E.17c and E.17d (which cannot be exonerated)
- F.4 A *competitor* who fails to return to the pre-start side of the starting line as per E.17d will be scored "On Course Side" (OCS) by the *race committee*.
- F.5 A *competitor* who does not complete the course as per E.16 will be scored "Did not finish" (DNF) by the *race committee* or by the *protest committee* if protested by another *competitor*.

Part G – Protests and Redress

- G.1 A *competitor* wishing to protest another *competitor* shall indicate the protest at the time of the incident by hailing “protest”, if possible, to give the other *competitor* an opportunity to exonerate a potential penalty as allowed by rule F.3
- G.2 A protesting *competitor* wishing to pursue the protest shall complete and lodge a protest form within 1 hour after the finish of the race in which the incident occurred. The form must indicate the rule or *sailing instruction* alleged to be infringed.
- See appendix E for the form. Forms are to be lodged with the *race officer* or other person nominated in the *sailing instructions* or at a *briefing*.
- G.3 The protesting *competitor* must pay any fee defined in the sailing instructions when submitting the protest form. Any fee payable shall be refunded should the protested *competitor* accept fault and retire from the race during mediation, or the protest is upheld by the *protest committee* at a full hearing.
- G.4 A *protest committee* representative or *race officer* will notify the protested competitor of the protest, at which time the protested *competitor* may elect to retire from the race (RAF).
- G.5 Prior to a full protest hearing, a mediation meeting between all the parties to the protest and a *protest committee* representative will occur.

The *protest committee* representative will;

1. Hear the protesting *competitors* description of the incident
2. Hear the protested *competitors* description of the incident
3. Outline the rules that apply, and what they believe the possible outcomes that may occur at a full hearing are.

At this time the protesting *competitor* may drop the protest, or the protested competitor may choose to retire from the race (RAF).

If neither option is taken, the protested *competitor* shall be given 20 minutes to complete the protest form and return it to the *protest committee* or *race officer*.

- G.6 Upon return of the protest form after the protested *competitor* has completed their part, the form shall be given to the protesting *competitor* to read, and at least 10 minutes later a protest hearing with *protest committee* shall be called.
- G.7 The *protest committee* shall;
1. First hear the protesting *competitor* who has the opportunity to call one witness.
 2. The protested *competitor* shall then be given the same opportunity.
 3. The *protest committee* shall discuss, make a decision, and inform both parties of their decision, which is final.

- G.8 A request for redress shall be made on the redress request form and must be lodged within 1 hour of the race for which redress is requested, or 30 minutes after the posting of that race's results, whichever is later. A request for redress may be because a *competitors* finishing place in a race has through no fault of their own been made significantly worse by
- An improper action or omission of the *race officers*
 - Being significantly disadvantaged by the action of a *competitor* that was breaking a rule of part E
 - Giving help to another *competitor*

A *competitor* seeking redress must pay the protest fee defined in the *sailing instructions* when submitting the redress form. Any fee payable shall be refunded should the redress be upheld by the *protest committee*.

See appendix F for the form. Forms are to be lodged with the *race officers* or other nominated person in the *sailing instructions* or at a *briefing*.

- G.9 The *protest committee* shall hear the request for redress as soon as practicable and redress where granted shall be, but not limited to either;
- Average points for that race, being the average at the end of the series of all races including those dropped.
 - A time award, or
 - Actual place that the *competitor* would have achieved had the incident not have occurred.

Part H – Scoring

- H.1 The following scoring abbreviations shall be used for recording the circumstances described:
- DNS Did not start; did not come to the starting area
 - OCS On the course side of the starting line at the starting signal, broke rule E.17d
 - DNF Came to the starting area but did not finish
 - RAF Retired After Finishing
 - DSQ Disqualification (other than DGM)
 - DGM Disqualification for gross misconduct not excludable under rule F.1
 - RDG Redress given

H2. Low Point System

Finishing Place	Points
First	1
Second	2
Third	3
Fourth	4
Fifth	5
Each Place thereafter	Add 1 point

- H.3 A *competitor* that did not start, did not finish, retired or was disqualified shall be scored points for the finishing place one more than the number of *competitors* entered in the series in their division or heat (whichever is less)

ie: DNS, OCS, DNF, RAF, DSQ, DGM all score number of entries + 1

- H.4 For a series that is held over a period of time longer than a regatta, a *competitor* that came to the starting area but, did not finish, was on course side, or retired shall be scored points for the finishing place one more than the number of *competitors* that came to the starting area. A *competitor* that did not come to the starting area or was disqualified shall be scored points for the finishing place one more than the number of *competitors* entered in the series.

ie: DNF, OCS, RAF score number of karts that turned up on the day + 1
DNS, DSQ, DGM score number of series entries + 1

- H.5 If a *competitor* is disqualified from a race or retires after finishing, each *competitor* with a worse finishing place shall be moved up one place.
- H.6 If the *protest committee* decides to give redress by adjusting a *competitors'* score, the scores of other *competitors* shall not be changed unless the *protest committee* decides otherwise.
- H.7 If there is a series-score tie between two or more *competitors*, each *competitors'* race scores shall be listed in order of best to worst, and at the

first point where there is a difference the tie shall be broken in favour of the *competitor* with the best score. No excluded scores shall be used.

If a tie remains between two or more *competitors* they shall be ranked in order of their scores in the last race. Any remaining ties shall be broken by using the tied *competitor's* scores in the next-to-last race and so on until all ties are broken. These scores shall be used even if some of them are excluded scores.

Examples for rule H.3 or H.4 scoring

The world champs is a continuous regatta, therefore it is scored under H.3

A club summer point score held over multiple weeks, is a series held over a period of time that is longer than a regatta and therefore it is scored under H.4
